

ANAE 301. TCP ANESTHESIA.

Credits: 2

Offered by: Anaesthesia (Faculty of Medicine & Hlth Sci)

Terms offered: Summer 2025, Winter 2026

View offerings for Summer 2025 or Winter 2026 in Visual Schedule Builder.

Description

This two-week required course exposes students to Anesthesia through lectures, simulated activities and supervised participation in perioperative patient care. Learning experiences relate to the basics of resuscitation, pain management, and preoperative, intraoperative, and postoperative anesthesia care. Students will demonstrate understanding of clinical applications of pharmacology and physiology.

- Restriction(s): Open only to students in the M.D., C.M. program.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
