

ANAT 601. MSC SEMINAR EXAMINATION.

Credits: 3

Offered by: Anatomy and Cell Biology (Graduate Studies)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

Description

The term before the student graduates, the student is to present a 30 minute seminar on their thesis work in a public seminar open to all members of the Department of Anatomy & Cell Biology, followed by a question period lasting 15 to 20 minutes. All faculty, cross-appointed academic staff, post docs and students are expected to attend the seminar.

- Restriction: Masters in Cell Biology students

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
