## Description

Production of a research paper that will explore a clearly defined problem, show familiarity with the most important work previously done in the field, and demonstrate the ability to carry out research, organize results and present them. The paper must demonstrate the candidate's ability to do independent work at the graduate level in a particular field of anthropology. It is devoted to research implementation and analysis.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
