

ARCH 221. ARCHITECTURAL DRAWING.

Credits: 2

Offered by: Architecture (Faculty of Engineering)

This course is not offered this catalogue year.

Description

Strategies for visualization and representation based on perspective, orthographic and oblique projection; drawing in the design process; relationship of drawing type to design intention; freehand drawing and sketching; architectural survey and notebook recording. Students work in the studio and in the field in a range of media.

- Restriction: Not open to students who have taken ARCH 217 or ARCH 218

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
