

ARCH 566. CULTURAL LANDSCAPES SEMINAR.

Credits: 3

Offered by: Architecture (Faculty of Engineering)

This course is not offered this catalogue year.

Description

Overview of cultural landscapes studies, methodologies, and resources. Comparative studies of the connection between people, place, and artifact systems through a critical examination of architecture, regional context, and material culture. Examination of precedents for the interpretation of cultural landscapes by architects, ethnologists, anthropologists, folklorists, historians, writers, filmmakers, photographers, and artists.
