Credits: 1.5

Offered by: Biological & Biomedical Engr (Graduate Studies)

Terms offered: Winter 2026

[View offerings for Winter 2026 in Visual Schedule Builder.](#)

Description

Mandatory attendance at the seminar series at which students present a seminar related to their research.

- Restriction(s): Only open to students registered in the second term or later of the M.Eng. in Biological and Biomedical Engineering (Thesis). Not open to students who have taken BMDE 600D1/2.
- 1. Students must register for both BBME 600D1 and BBME 600D2
- 2. Students must register for BBME 600D1 before registering for BBME 600D2
- 3. No credit will be given for this course unless both BBME 600D1 and BBME 600D2 are successfully completed in consecutive terms

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
