Terms offered: Summer 2025

[View offerings for Summer 2025 in Visual Schedule Builder.](#)

Description

See BIOL 334D1 for course description.

- Winter, Summer
- Prerequisites: BIOL 206; and BIOL 215 or both ENVR 200 and ENVR 202; and permission of the instructor.
- Students must register for both BIOL 334D1 and BIOL 334D2.
- No credit will be given for this course unless both BIOL 334D1 and BIOL 334D2 are successfully completed in consecutive terms
- This course, given in Barbados, has an additional fee of \$1913.86 to cover the costs of room and board at Bellairs Research Institute, the course pack and all other expenses during the course. It does not cover tuition, airfare, flight insurance, airport taxes, meals in transit, or the cost of supplementary health insurance. The fee is only refundable prior to the deadline to withdraw with full refund

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
