

BMDE 558. HEALTHCARE STARTUPS AND ENTREPRENEURSHIP.

Credits: 3

Offered by: Biomedical Engineering (Faculty of Engineering)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

Description

Introduction to healthcare entrepreneurship, including the unique model and challenges of healthcare technology startups. Emphasis is placed on seeking venture capital investment in a healthcare startup business, including medical technologies (MedTech), pharmaceuticals/biotechnology, research tools, healthcare IT, and digital health, particularly as they differ from one another.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
