View offerings for Summer 2025 or Fall 2025 or Winter 2026 in Visual Schedule Builder.

Description

To broaden the scope of the IWRM internship experience (BREE 630) in the form of a research paper or 'plan of action' that expands on the water resources management problem(s) or issue(s) examined in the internship. This course is now to be offered both in the Winter semester (new) and the Summer semester (current).

- Restriction: Open only to students enrolled in the Non-Thesis IWRM program
- Prerequisites: BREE 510 and BREE 655
- Corequisite: BREE 630
- Restriction: Open only to students enrolled in the Non-Thesis IWRM program

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
