

# BUSA 647D1. HEALTHCARE MANAGEMENT PRACTICUM.

---

Credits: 2

Offered by: Management (Graduate Studies)

This course is not offered this catalogue year.

## Description

Preparation of a research proposal on a problem in any healthcare setting from problem statement to methodology. Implementation of the methodology, including sample selection, collecting data, and completing an appropriate data analysis. Drawing data-based conclusions and recommendations that address the problem statement. Presenting and defending the students' research process, including findings, and recommendations.

- Students must register for both BUSA 647D1 and BUSA 647D2
- No credit will be given for this course unless both BUSA 647D1 and BUSA 647D2 are successfully completed in consecutive terms

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
