

BUSA 677. COLLABORATIVE MINDSET.

Credits: 6

Offered by: Management (Graduate Studies)

This course is not offered this catalogue year.

Description

Focus on managing relationships with patients, professionals, health advocates, administrators, the government, the media and many other groups. Skill development includes relationship-building, negotiating, stakeholder coordination, and knowledge management. The managing of professional relationships is emphasized, developing the advanced skills necessary to build and lead complex networks rather than simple organizations. The integration of knowledge from multiple disciplines and perspectives is also examined.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
