View offerings for Summer 2025 or Fall 2025 in Visual Schedule Builder.

Description

Focusing on the achievement of change# successful health management cases are reviewed and the action implications of adaptive management are explored. Integrating and sustaining the approach to health# the notion of prevention and its applied dissemination# effective intervention within the policy environment# positive/negative outcomes of media exposure in health policy# and the notions of evaluation and accountability. Integrating and synthesizing the knowledge acquired during the preceding modules. In-depth consideration of the process of transformation leadership and what it means to lead comprehensively, analytically, collaboratively, contextually, catalytically and reflectively.

- The online version of this course will contain both synchronous and asynchronous activities.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
