

CACF 445. AUDIT AND ASSURANCE: PRINCIPLES, THEORIES AND CURRENT PRACTICES.

Credits: 3

Offered by: Administration & Governance (School of Continuing Studies)

This course is not offered this catalogue year.

Description

Introduction to a variety of audit and assurance services provided by public accounting firms. Services include internal and operational auditing, external auditing, risk management, compliance, and internal control designs. Preparation of audit files and the standards required for documentation of audit work within Canada's generally accepted auditing standards will be covered.

- Prerequisite: CACF 325

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
