Description

The second portion of the internship consists of direct contact with clients, clinical supervision, a didactic seminar series, psychotherapy rounds and complementary clinical activities. Students will participate in a series of seminars geared to providing further didactic training in the legal and organizational aspects and ethics and deontology as applied to specific case examples being experienced by students in their internship experiences. Also, participation in an integrative seminar designed to facilitate the integration of advancing knowledge and clinical skills.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
