

CCOM 605. NONVERBAL COMMUNICATION.

Credits: 3

Offered by: Global & Strategic Comm. (Graduate Studies)

This course is not offered this catalogue year.

Description

Introduction to different aspects of nonverbal communication, including kinesics, proxemics, haptics, and vocalics, and their influence in face-to-face interactions. Study of the ways that nonverbal communication can be harnessed to improve empathy, negotiation and leadership skills, and how nonverbal communication impacts dominance and persuasion. Nonverbal communication and neurodiversity. Evidence-based practices in nonverbal communication. Issues with lie detection.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
