

CEN2 507. VENTURE GROWTH STRATEGIES.

Credits: 3

Offered by: Management & Entrepreneurship (School of Continuing Studies)

This course is not offered this catalogue year.

Description

Practical strategies for building businesses through all the various stages will be explored. Focus will be placed on identifying potentials for growth, realizing the challenges and opportunities for growth within entrepreneurial settings, and managing growth. The course will also include a team project in which a development plan for a real or hypothetical business will be created.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
