Offered by: Administration & Governance (School of Continuing Studies)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

Description

This course provides learners with the knowledge, competencies and aptitudes necessary for managing and leading both private businesses and organizations in the not-for-profit sector. Topics include governance, community services, community systems, management vs leadership style, and understanding the differences between strategic and operational planning, with an emphasis on financial and human resource management.

- Corequisite: CORG 225

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
