

# CHEE 363. PROJECTS CHEMICAL ENGINEERING 1.

---

Credits: 2

Offered by: Chemical Engineering (Faculty of Engineering)

This course is not offered this catalogue year.

## Description

Projects on social or technical aspects of chemical engineering practice. Students must find a supervisor amongst the departmental faculty before registering for this course. Students suggest their own projects to be approved by their supervisor. Students may work in groups.

- This course in the Faculty of Engineering is open only to McGill students.
- This course in the Faculty of Engineering is open only to McGill students.
- (1-0-5) Students are required to submit a written report.
- Prerequisite: CHEE 200 (A "D" grade is acceptable for prerequisite purposes only)

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
