View offerings for Fall 2025 or Winter 2026 in Visual Schedule Builder.

Description

Independent study and experimental work on topic(s) chosen by consultation between the student and professor. Students must find a supervisor amongst the department faculty before registering for this course.

- This course in the Faculty of Engineering is open only to McGill students.
- Students are required to complete a written report on the work and make an oral presentation at the end of the semester.
- (1-6-2)
- Students are required to complete a written report and a presentation before the end of the semester.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
