

CIAM 526. AIR CARGO MANAGEMENT.

Credits: 3

Offered by: Career & Professional Develop (School of Continuing Studies)

This course is not offered this catalogue year.

Description

Course explores the operations, business and regulations related to cargo management. Some of the topics include: packaging and transportation options appropriate for each industry's type or category of product, third party logistics providers, warehousing, costs, and implications on safety and security.

- Prerequisite: CIAM 510

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
