View offerings for Summer 2025 or Fall 2025 in Visual Schedule Builder.

## Description

Statistical methods used in a variety of business situations, emphasizing application and providing a working knowledge of the most widely-used techniques. Topics include descriptive statistics; probability distributions; sampling procedures and distributions; inferential statistics including estimation; hypothesis testing and Anova; simple linear, multiple regression and correlation; time series and forecasting.

- Not open to students who have taken CMS2 521.
- Prerequisite: CMS2 500 or the Exemption by Examination Test

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
