

COMP 689. INTERNSHIP IN COMPUTER SCIENCE.

Credits: 15

Offered by: Computer Science (Graduate Studies)

Terms offered: Fall 2025, Winter 2026

View offerings for Fall 2025 or Winter 2026 in Visual Schedule Builder.

Description

Four month internship in a company or organization, to give experience with industrial practices in computer science, data science or software engineering.

- Student must have taken at least four complementary courses within the program before taking the internship course.
- The student will work with both an industrial and academic supervisor to ensure alignment both with the company or organization needs and with the academic goals, namely suitability for the M.Sc. level.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
