

CORG 665. TECHNOLOGY AND INNOVATION IN HUMAN RESOURCES

Credits: 3

Offered by: Administration & Governance (School of Continuing Studies)

Terms offered: Winter 2026

[View offerings for Winter 2026 in Visual Schedule Builder.](#)

Description

Examination of new human resources information systems (HRIS) that facilitate innovative processes within an organization and its ecosystem. Focus on using technology to support an organization's optimization needs. Overview of current human resources trends, recruitment software, change management, human resources metrics, data analytics, artificial intelligence, and increasingly sophisticated payroll systems, including those using blockchain technologies.

- Not open to students who have taken CORG 565.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
