

CSNM 630. GLOBAL SUPPLY MANAGEMENT AND INTERNATIONAL LOGISTICS

Credits: 3

Offered by: Management & Entrepreneurship (School of Continuing Studies)

This course is not offered this catalogue year.

Description

In-depth analysis of the sourcing and distribution practices of global business from an integrated supply network perspective. Topics include the sustainable management of materials, transportation and logistics strategies, and the development of transportation policies in alignment with production and marketing strategies.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
