

CSNM 635. ESG IN INTEGRATED SUPPLY NETWORKS.

Credits: 3

Offered by: Management & Entrepreneurship (School of Continuing Studies)

This course is not offered this catalogue year.

Description

Consideration of environmental, social, and governance (ESG) frameworks for enabling companies to ensure that supply networks are environmentally sound, socially responsible, and well-governed. Topics include design of socially responsible supply networks, governance best practices, and sustainable sourcing.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
