Description

Guiding and mentoring students in their transition from introduction to the practice of dentistry. Students transition from laypeople to dentists, promoting professionalism, a patient-centered approach, and self-reflection with dental management of medically compromised patients using introductory preclinical skills.

- Restriction: D.M.D. students only.
- Students must also register for DENT 101J2 and DENT 101J3.
- No credit will be given for this course unless DENT 101J1, DENT 101J2 and DENT 101J3 are all successfully completed in consecutive terms.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
