Description

This course is designed to provide clinical experience in the management of oral and maxillofacial surgical patients and prepare students to take the Royal College of Dentists of Canada speciality examination.

- Prerequisite: DENT 583 or DENT 583J1/J2/J3
- Restriction: Open to students registered in the Certificate in Oral and Maxillofacial Surgery only
- Students must also register for DENT 585J2 and DENT 585J3
- No credit will be given for this course unless DENT 585J1, DENT 585J2, and DENT 585J3 are all successfully completed in consecutive terms

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
