Offered by: Dental Med & Oral Health Sci (Graduate Studies)

Terms offered: Winter 2026

View offerings for Winter 2026 in Visual Schedule Builder.

Description

Practical training in written and oral communication skills for biomedical sciences and oral health research.

- Prerequisite(s): DENT 663 or permission of the instructor.
- Restriction(s): Not open to students who have taken DENT 564.
- Students will participate in a series of lectures and workshops to develop and practice scientific writing and oral communication skills.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
