

ECON 744. HEALTH ECONOMICS.

Credits: 3

Offered by: Economics (Graduate Studies)

This course is not offered this catalogue year.

Description

The emphasis will be on describing and analyzing the structure and performance of the Canadian health system, though some attention will be given to recent attempts by the federal and provincial governments to deal with current problems in this field. Readings will be selected from the economics and health literature.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
