

EDEC 311. RESOURCE MANAGEMENT.

Credits: 6

Offered by: Integrated Studies in Ed (Faculty of Education)

This course is not offered this catalogue year.

Description

A problem-solving approach (needs assessment, projections, creative solutions, and proposals) will establish a procedure for proactive management of the First Nations and Inuit educational environment (human, financial, and physical resources). Topics include staffing, finance, budgeting, payroll, interviewing techniques, health and safety management, and building and equipment maintenance.

- Restriction: Normally for students registered within the Certificate in First Nations and Inuit Educational Leadership

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
