

# EDEC 604. LITERACY AND LEARNING ACROSS CURRICULUM.

---

Credits: 3

Offered by: Integrated Studies in Ed (Graduate Studies)

This course is not offered this catalogue year.

## Description

Examination of the central role of language in learning across the curriculum: the processes by which pupils acquire information and understanding and the ways in which teaching must take account of these processes: learning through talk, learning by writing, learning from text.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
