Description

This course addresses emerging theories, pedagogies, and practices related to youth learning through digital media and online participatory cultures. Through direct engagement with multiple forms of digital media and youth, students will consider implications for teaching and learning within and beyond schools.

- Fall
- **Due to the intensive nature of this course, the standard add/drop and withdrawal deadlines do not apply. Add/drop is the second lecture day and withdrawal is the fifth lecture day.
- Please note: students taking this course as part of a Teacher Education Program leading to certification will also integrate e-portfolios.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
