Terms offered: Summer 2025, Fall 2025

View offerings for Summer 2025 or Fall 2025 in Visual Schedule Builder.

Description

Science as a means of exploring and explaining our environment. A study of some of the fundamental concepts and process skills common to most elementary programs.

- Not open to students with CEGEP science
- (01-MAY-2003/31-AUG-2003)
- The course includes a fee of \$15 for required lab supplies, including take-home experimental kits

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
