

EDEE 275. SCIENCE TEACHING.

Credits: 2

Offered by: Integrated Studies in Ed (Faculty of Education)

This course is not offered this catalogue year.

Description

A study of science programs and teaching strategies appropriate for providing elementary school children with an appreciation of the nature and method of science inquiry.

- Prerequisite: EDEE 270.
- Restriction: Not open to students who have taken EDEE 372 (Teaching Science)
- The course EDEE 275 includes a \$12 fee covering the cost of printing for the lab manual required by all students registered for the course. The fee is refundable until the end of the add/drop period.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
