

EDEE 292. USING INSTRUCTIONAL RESOURCES.

Credits: 3

Offered by: Integrated Studies in Ed (Faculty of Education)

This course is not offered this catalogue year.

Description

Students will learn to find, assess, and use a variety of instructional resources. Specifically, they will learn how to evaluate the instructional value of software packages and other established audio-visual materials; how to make and use simple audio-visual materials; and how to find additional resource material in the library.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
