

EDER 643. WOMEN, EDUCATION AND DEVELOPMENT.

Credits: 3

Offered by: Integrated Studies in Ed (Graduate Studies)

This course is not offered this catalogue year.

Description

This course will trace the major theoretical developments in women and development and relate them to educational issues in the formal, non-formal and informal settings. There will be an emphasis on the significance and policy implications of women's education for sustainable developments in the countries of the South.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
