---

Credits: 3

Offered by: Integrated Studies in Ed (Faculty of Education)

Terms offered: Winter 2026

[View offerings for Winter 2026 in Visual Schedule Builder.](#)

## Description

Principles and procedures for implementation of the general science curriculum in the secondary schools of Québec. A survey of teaching methods and laboratory management appropriate to the junior and senior high school level.

- The course EDES 435 includes a \$15 fee covering the cost of printing for the lab manual required by all students registered for the course. The fee is refundable until the end of the add/drop period.
- Prerequisite: EDES 335
- Restriction: Not open to students who have taken EDES 370

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
