Description

Exploration and application of a diversity of literacy practices that support a critical “reading” of the world. Introduction of the interdisciplinary field of diverse knowledge approaches, digital media, and learning, focusing on how digital media are changing the youth’s learning lives and approaches to knowledge across countries and contexts, and the very movements of contemporary culture.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
