

EDGC 312. UNDERSTANDING TEACHER LEADERSHIP.

Credits: 3

Offered by: Integrated Studies in Ed (Faculty of Education)

This course is not offered this catalogue year.

Description

Promotes understanding of education standards and self as a leader. Existing literature and research base for teacher leadership. Explores the leadership behaviours and mindsets that positively impact learning within a school environment. Focuses on building learning communities. Teacher leadership skills, effective instructional strategies, and the development of reflective practitioners within a collaborative culture. Emphasis is placed on concepts and procedures for creating and sustaining instructional teams, designed to support systemic inquiry and school improvement.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
