

EDGC 335. ECO- JUSTICE AND SUSTAINABILITY IN EDUCATION.

Credits: 3

Offered by: Integrated Studies in Ed (Faculty of Education)

This course is not offered this catalogue year.

Description

Considers the importance of the tenets of education for sustainable development through practical and theoretical means. Components will take place off-site (i.e., at an outdoor centre or at an alternative setting); exploration of how to integrate holistically cultural, economic and financial components for sustainable living and being. The role of education in eco-justice and sustainability will be the focus.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
