

EDIN 602D1. INTERNSHIP 2.

Credits: 5

Offered by: Integrated Studies in Ed (Graduate Studies)

This course is not offered this catalogue year.

Description

Mentored student teaching in a school requiring full responsibility for lesson planning, student learning, classroom management, and evaluation. Students are expected to apprise themselves of internship dates, workload percentages and responsibilities at www.mcgill.ca/isa. Includes 2-credit concurrent professional seminar providing support/discussion of professional and ethical considerations during internship and as novice teachers. Capstone research projects (CPRs) are completed and presented in a professional conference context. Artefacts are selected and refined for inclusion in completed e-portfolios. Professional Competencies are developed and assessed. Students must pass both 'mentored student teaching' and 'professional seminar' components, including CRP presentation, to pass the course.
