

EDPC 615. ASSESSMENT AND DIAGNOSIS 1.

Credits: 3

Offered by: Educational&Counselling Psych (Graduate Studies)

This course is not offered this catalogue year.

Description

An introduction to differential assessment and diagnosis for counsellors in educational and mental health settings. The clinical interview, the assessment process, the DSM-IV, relevant test instruments, diagnostic procedures, and development of treatment plans will be subjects of study. Models of record keeping and referral procedures will be reviewed.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
