---

Credits: 3

Offered by: Educational&Counselling Psych (Graduate Studies)

Terms offered: Winter 2026

View offerings for Winter 2026 in Visual Schedule Builder.

## Description

Seminar and field practice in the administration and interpretation of instruments that assess cognitive functioning and psychosocial functioning as it relates to cognitive abilities and academic achievements. The course covers the selection and evaluation of instruments, ethical test use, test administration, report writing, and communication of test results.

- Prerequisite: EDPC 609.
- Students taking courses which access the ECP Assessment Materials Resource Centre are required to pay an access fee as well as the cost of all consumables required per course. The fee is dependent on the number of consumables/protocols used in each class and is refundable during the withdrawal with full refund period. The fee is \$125.19.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
