

# EDPE 668. ADVANCED SEMINAR IN LEARNING SCIENCES.

---

Credits: 3

Offered by: Educational&Counseling Psych (Graduate Studies)

This course is not offered this catalogue year.

## Description

Critical analysis and synthesis of contemporary theoretical and empirical research in educational psychology and cognate areas. Topics addressed for each offering may change as a function of current debates and issues in the educational literature. Examples of topics would be motivation, assessment, epistemology, self-regulated learning, and metacognition.

- Corequisites: EDPE 655 Learning Sciences Research Seminar or permission of the instructor

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
