Description

This course deals with the role of assessment in TESL. Students will explore the kinds of information needed to make educational decisions in second language courses, different techniques for collecting that information, and ways for interpreting it. Principles and methods for assessment with and without tests are discussed and practiced.

- Prerequisites: EDSL 447 and EDFE 359

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
