

EDTL 500. APPLICATIONS OF EDUCATIONAL PSYCHOLOGY ACROSS CLASSROOMS.

Credits: 3

Offered by: Integrated Studies in Ed (Faculty of Education)

This course is not offered this catalogue year.

Description

Selected contemporary theories of human learning and development and their evidence base, including models of individual difference, learning styles, independence and motivation. Implications of selected theoretical models and evidence for educational practice, planning and professional reflection in inclusive classrooms. The role of parents, families/guardians and the complementary role of ancillary educational services in relation to classroom applications of theories. All addressed through the development of professional competencies.

- Winter
- Offered by: Educational and Counselling Psychology

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
