Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

Description

Essential skills for thesis writing and defence, including essential elements of research protocols, formulation of research objectives, the design, and strategies.

- Note: Required for Ph.D. students.
- Students must register for both EPIB 702D1 and EPIB 702D2
- No credit will be given for this course unless both EPIB 702D1 and EPIB 702D2 are successfully completed in consecutive terms
- EPIB 702D1 and EPIB 702D2 together are equivalent to EPIB 702

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
