

# EPIB 707. RESEARCH DESIGN IN HEALTH SCIENCES.

---

Credits: 3

Offered by: Epidemiology and Biostatistics (Graduate Studies)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

## Description

Lectures and discussions and student oral and written presentations with the aim of providing guidance and experience in the development of objectives, background and methods for both the formulation of, and the constructive peer criticism of, research protocols in the health sciences.

- Prerequisite(s): EPIB 701
- Restriction(s): Registration in the PhD program in Epidemiology.
- Not open to students who have taken EPIB 623.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
