

# EPSC 341. FIELD SCHOOL 3.

---

Credits: 3

Offered by: Earth & Planetary Sciences (Faculty of Science)

This course is not offered this catalogue year.

## Description

Two week field studies in selected branches of the geosciences to examine processes in geology.

- This course, given every alternate year, has an additional fee of \$500 to cover the costs of airfare, meals and accommodation as well as other field expenses. The fee is refundable during the period where a student can drop the course with full refund. The department of Earth and Planetary Science subsidizes a portion of the cost for this activity.
- Two week intensive field school to a range of national and international locations.
- Prerequisites: EPSC 240, enrolment in U2 or U3 EPS program and permission of the instructor.
- Alternates years with EPSC 331.
- This course, given every alternate year, has an additional fee of \$611.92 to cover the costs of airfare, meals and accommodation as well as other field expenses. The fee is only refundable prior to the deadline to withdraw with full refund. The department of Earth and Planetary Science subsidizes a portion of the cost for this activity.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
