

EPSC 460D1. INDEPENDENT READING PROJECT.

Credits: 1.5

Offered by: Earth & Planetary Sciences (Faculty of Science)

This course is not offered this catalogue year.

Description

Independent reading project with a final written report.

- Fall, Winter or Summer
- Before registration, projects must be arranged individually with a faculty member in the Earth and Planetary Science Department, and a written proposal signed by the supervisor and student must be approved by the departmental director of undergraduate studies.
- Students must also register for EPSC 460D2.
- No credit will be given for this course unless both EPSC 460D1 and EPSC 460D2 are successfully completed in consecutive terms.
- EPSC 460D1 and EPSC 460D2 together are equivalent to EPSC 460.
- Prerequisite(s): Any three courses among EPSC 203, EPSC210, EPSC 212, EPSC 220 or higher-level EPSC course(s); or permission of instructor.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
